

Risinger

Why Partner with Risinger?

Introduction

Risinger is a leader in providing innovative transportation solutions.

We are a family-owned dry van carrier based in Morton, Illinois. For 30 years we have dedicated ourselves to building successful, enduring partnerships with our customers, drivers, and partner carriers.

Our core clients have been with us for over 15 years, and provide consistent, year-round freight.

We strive to give personalized support to all our partners.

Our Solution

Understanding the challenges that small businesses face with freight consistency, fleet expenses, and driver turnover, we provide consistent miles, reliable cash flow, and predictable home time for your drivers. Minimize your expenses by hauling our freight, pulling our trailers, and having us dispatch your drivers.

We launched our program four years ago to meet the growing demands of our clients and to serve small businesses like yours. Our program is working. Our partners are thriving. Now is the time for our program to work for you.

Our Advantage

- Consistent, year-round freight
- Average mileage of 2800-3200 per week
- We preplan our loads 2-3 days in advance to reduce sitting and keep your drivers moving
- 50% drop and hook, 100% no touch freight
- No minimum or maximum number of trucks required

We have the freight to keep you moving!

Our Advantage

- You pull our trailers which will reduce or eliminate the need for extra equipment.
- You deliver our freight which eliminates multiple customer receivable issues.
- Our highly trained fleet managers work with your drivers. Treating them with respect, honesty and integrity.

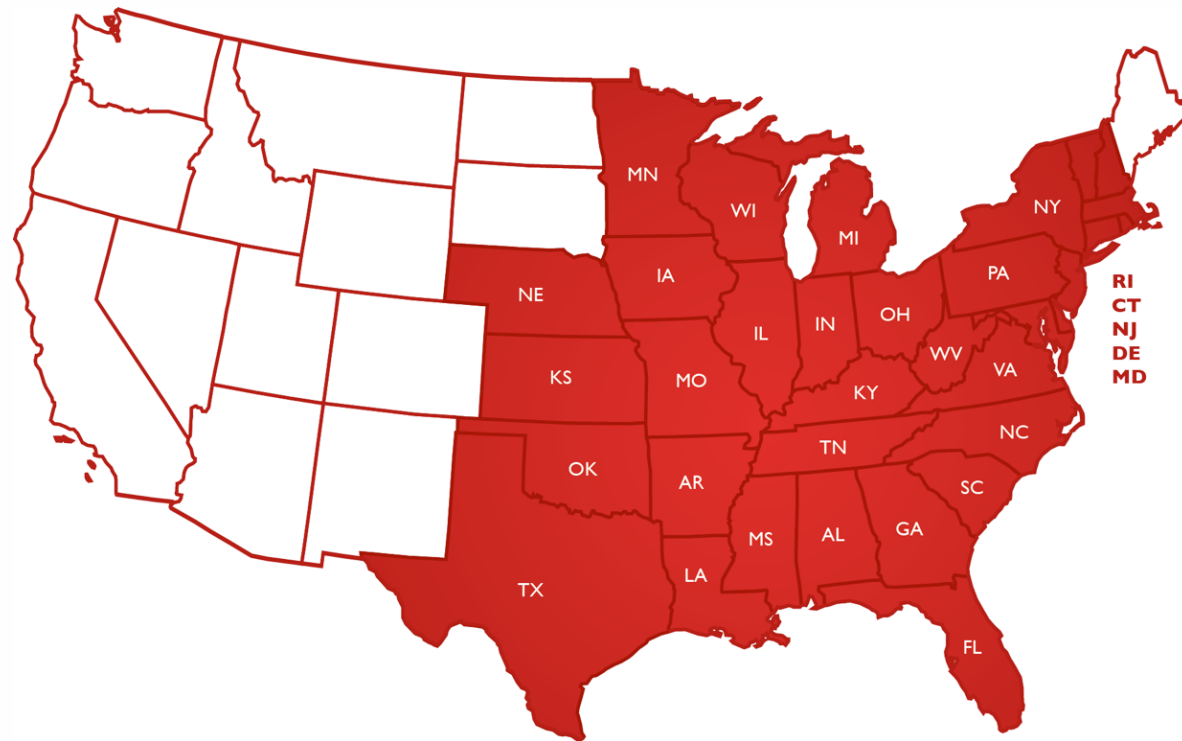

Our Advantage

- Comdata fuel card available through Risinger.
- Toll reimbursement policy for our Partner Carriers.
- Qualcomm's installed by Risinger at no installation or monthly cost to you.
- Qualcomm's internet messaging system will be made available to you so that you can read, send, or receive messages from your drivers as well as track their progress.
- Transflo set up for all of your drivers at no cost to you.
